

MILTEX® HI-LIGHT

PEDODONTIC EXTRACTION FORCEPS

DEF23S

FEATURES

- *Box Lock Construction*
- *English Pattern*
- *6.5 inch Length*

Miltex® pedodontic extraction forceps are manufactured from quality German stainless steel and are small enough to fit in the palm of your hand. Alleviate children's anxiety with "hide'em-in-the-hand" extracting forceps while maintaining more control and grip on the tooth during extraction. Various patterns are available from Miltex, including the polished English Pattern handles, brushed stainless steel, Xcision™ and tungsten carbide handle options.
